EDUCATION

University of Manchester *September 2018 - June 2021*
BSc Computer Science Expected Result First
Core Courses: OOP with Java, Machine Learning, Algorithms, Databases
First year result : 74%
Romanian National College Iaşi *September 2014 - June 2018*
Overall GPA: 10/10
Mathematical Informatics

EXPERIENCE

Mambu - Iaşi July 2019 - September 2019
Intern

· Took part in a bootcamp designed to develop software engineering skills
· Developed my backend knowledge with industry level exposure to Java and SQL

GreatUniHack18 - Challenge: Daktari Mkononi November 2018
First Prize Winner of the challenge

· Developed a multiple feature Facebook chatbot in Python
· Improved my communication skills, learned how to work in a team and distribute tasks

SkyCity - Iaşi November 2016 - April 2017
Intern

· Worked at a local startup company alongside several students from the local university of computer science
· Worked on a social gathering Android app which involved people from bars communicating better

FIRST Tech Challenge January 2017 - March 2017
Robotics competition

· Worked in a team of six students in grades from 10 to 12 competing head to head, using a sports model.
· Teams are responsible for designing, building, and programming their robots in a 10-week build period to compete in an alliance format against other teams.
· The robot kit was programmed by myself via a Java framework.

LyoStudio June 2016 - September 2018
Junior Photographer - Wedding photography

· Developed scripts to automate the workflow for delivering the final product

ACADEMIC ACHIEVEMENTS

International Tournament of Young Mathematicians 2016 - Bronze Medal

International Tournament of Young Mathematicians 2017 - Silver Medal
